A Blessed People

Happy New Year! The year past with all its tragedies, problems, disappointments, failures and sadness is now behind us. We now look ahead with optimism; praying that the days ahead will be productive not painful, that the nights will be refreshing not restless, that there will be birth not death, that we will experience prosperity not poverty, that we shall be drawn closer to loved ones not farther.

The Aaronic blessing (Numbers 6:22-27) that was pronounced on the Israelites as they began their journey into the wilderness and also every day of their entire life end with instructions, "... so they will put my name on the Israelites and I will bless them."

According to Hebrews 5, Aaron was a foreshadowing of Christ, our great high priest. Our Lords last act of ministry before returning to heaven was to bless His followers (Luke 24:50-51). During our baptism the name of Jesus was placed on us. We too bear the name of God.

God has placed His all-important Name on us- His people. A comparison is that of "putting our name" upon our cheque. An unsigned cheque is void and worthless until the owner's name has been placed upon it. Our lives, our years, our purpose in living are "void and worthless" until God places His name upon us.

We are a blessed people; we are Gods very own and He will journey with us into the future Shepherding us- leading, feeding, protecting and caring.

Ven. Canon Joshua Omungo

COLLECT

Almighty God, whose blessed Son was circumcised in obedience to the law for our sake and given the Name that is above every name: give us grace faithfully to bear His Name, to worship Him in the freedom of the Spirit, and to proclaim Him as Saviour of the world; who is alive and reigns with You, in the unity of the Holy Spirit, one God, now and for ever.

Amen
